

The Provincial Human Services & Justice Coordinating Committee presents:

Moving the Wheels of Justice

Communication about Mental Health within the Courthouse

FREE Webinar

May 12, 2014

1:10 pm to 2:05 pm

Purpose:

- To gain insights into enhancing communication when interacting with people with mental health issues.
- To learn strategies on how to engage with people with mental health issues.
- To bring together the justice and mental health sectors to share knowledge, insights, and responsibilities, and to problem solve.
- To facilitate a shared learning process that provides the opportunity to build capacity and shared responsibility within the mental health and justice sectors.

Presenter:

Dr. Julian A.C. Gojer MBBS DPM MRCPsych FRCPC, Forensic Psychiatrist

Target Audience:

Individuals and organizations that provide services to people with mental health, addictions and other human service needs within the criminal justice system. This includes those working in the fields of corrections, community services, housing, and health.

Learning Objectives:

As a result of the webinar, you will;

- Learn about communication strategies relating to mental health.
- Increase your understanding about communication approaches when interacting with people who have come into contact with the justice system and have needs which can be met by one or more of the provincial human services systems.

Cost per person: FREE
